

Rehearsal/ Ticket Agreement

Rehearsal Commitment

JStage does all it can to ensure that we are extremely productive with our rehearsals. It is for that reason we ask the parents to please understand the following:

1. Make sure that your child attends rehearsals on time and in proper attire. If your child misses or is late to a rehearsal, he/she might be pulled from the scene or musical number being taught at that particular rehearsal. This is not intended to punish the child. We are on a very tight rehearsal schedule and do not have the time to re-teach scenes or musical numbers.
2. Attendance is important. We have a very short rehearsal schedule and cover a lot of material in one rehearsal. It is for that reason if your child misses more the five Sunday rehearsals he/she will be pulled from the cast without a refund.
3. If illness or conflict arises, please contact Jennifer Lewis at 949-435-3400 ext. 305 or jenniferl@jccoc.org as soon as possible.

Ticket Sales

In order to keep JStage participant fees down, ensure we have a full house on both performances and comply with budget restrictions, each cast member is required to do there best to sell a minimum of 12 tickets. Cast members will be given their 12 tickets to sell at the auditions. The cash/checks for the tickets are due back Monday, November 1st. **If the cash/ checks for the tickets have not been turned in by that date your credit card will be charged \$144.00. If not all of the 12 tickets have been sold your credit card will be charged for any unsold tickets.** For families with more then one child in the show we are asking you to sell a total of 15 tickets.

By signing below I understand and consent to this agreement. Cast members will not be assigned a part without this agreement.
