Club J is THE place to be after school!

How it works...

When the school day is done, Club J begins! Our after school program is designed for families who need the support and convenience of a daily high-quality schedule for their children. Club J's monthly tuition includes transportation, snack, and two enrichment classes per day (no enrichment classes on Friday/Shabbat).

Enrichment Classes: Children enroll in two enrichment classes per day (Monday-Thursday). Enrichment classes are run by qualified educators and instructors with specialized skills. Our teachers bring dynamic knowledge to classes such as art, yoga, cooking, science, drama, and much more.

Homework: Homework enrichment class is a great way to get a head start on assignments. College graduates maintain a quiet environment for self-motivated students who wish to get their homework done.

Snack: Club J provides healthy and kosher snacks to all participants. Examples of our menu items: apples, bananas, carrots with ranch dressing, graham crackers, raisins, crackers and more.
