# Camp Yeladim Values

CAMP YELADIM 949.435.3404 • [www.jccoc.org](http://www.jccoc.org)

## כבוד

### Respect-Kavod

Campers learn that our actions can impact not only ourselves but others. We stress the Platinum Rule: treat others the way that they want to be treated.

## דרש

### Inquiry-D'rash

Campers engage in hands-on activities including art, water play, science, sports and baking; which sparks wonder and discovery. Weekly special guests ignite the children's interest in learning about camp themes and the world around them.

## קהילה

### Community-Kehillah

Camp Yeladim is a great opportunity for families to transition into our preschool community. During the summer we have many all-school events to help your child and family connect with other preschool families and our staff, including weekly Shabbat sing-alongs, Havdalah celebrations, a Concert at the JCC and weekly updates from our caring staff.

## אהבה

### Love-Ahavah

Campers develop close friendships and personal connections with their counselors and peers while attending our camp.

## שלום

### Peace-Shalom

We want our campers to feel that this is their home away from home; that they're comfortable and feel that their unique perspectives and needs are understood and valued.

## תיקון עולם

### Responsibility-Tikkun Olam

Campers learn to partner with others to care for their environment and members of our community. The children slowly assume responsibility for their belongings, self-care, and camp environment, that in turn builds their confidence and independence.

At Camp Haverim, campers get swim-tested and receive a special personalized card to hook onto their backpack after passing.

## Independence

Camp is a place where children can develop their personalities and be able to manage choices and decisions in a safe, nurturing environment.

## Personal growth

Camp teaches kids important life skills, and time away from parents provides an excellent opportunity for young children to take initiative, exercise their autonomy and develop leadership, problem-solving and social skills.
